Step 1: Go to the Shenandoah County Library website at www.countylib.org

Step 2: Click on the polka dot elephant at the bottom of the page

Step 3: Click on the blue “Register” button in the middle of the screen

Step 4: Fill out the form using the information for the responsible adult (for anyone under 13) or for yourself (for teens ages 13+). Click the blue button at the bottom when you are done

Step 5: To register only one child/teen, click on the button for the age appropriate program (pre-reader, reader, or teen). To register two or more children in your family, click on the “Family/Group Registration” button and continue to Step 6

***Step 6:** For Family Registration only, **do not** fill out the form at the top of this page. Scroll to the bottom and click on the words “Family Registration”. Next, select the program for the first child you wish to register and fill out the form. When finished, the program will ask if you want to add another participant. Click yes and add the next child.

If in doubt, ask a staff member or volunteer for help!
